SUBJECT: New OSC Payroll Manager

I am writing to inform you that the new OSC Payroll Manager for all payroll operations is Wendy Griffin. Wendy joined our team a year and a half ago to serve as the BEACON payroll lead. She has been an integral part of our functional team and has been recently transitioning to an operations manager. As she assumes this role, Wendy's new responsibility includes both Central Payroll and BEACON Payroll. Edith Cannady will continue to assist Wendy as needed, but Edith has joined the BEACON Integration team to begin work on the SAP financials project. Other central payroll staff are being transitioned within BEST Shared Services. It is OSC's expectation that you will continue to be appropriately serviced in both areas of state payroll. Please continue to enter HEAT tickets for your Central Payroll issues. Thank you for your attention to this announcement and please direct your payroll management issues directly to Wendy Griffin.
