*The State Controller is North Carolina’s chief fiscal officer. The Office of the State Controller serves as an independent resource to ensure the financial integrity of the State by providing accounting, disbursing, payroll, internal control and financial reporting systems that serve state agencies, employees and the public and maximizing financial return through its statewide cash management plan. The OSC issues numerous financial reports including: Financial Highlights, General Fund Monthly Financial Report, IT Expenditures Report, Statewide Accounts Receivable Report, the State’s Comprehensive Annual Financial Report (CAFR) as well as the short, easy-to-read version of the CAFR known as the “popular” report.*
